Dear Ms. Brewer:

Governor O'Malley forwarded your e-mail of concerns to me for review. Thank you for your comments. I wanted to advise you that Chaney Enterprises, Inc. has amended their Zoning Map Amendment from Heavy Industrial to Community Commercial zoning.

The definition of Community Commercial is "Provides wide range of commercial uses to serve several neighborhoods in appropriate locations and along major roads, while discouraging strip development". Because of the withdrawal of the Heavy Industrial request and change to Community Commercial a public hearing is required.

The Public Hearing is set for May 19, 2009 at 6:00 p.m., County Commissioner Meeting Room, Charles County Government Building, 200 Baltimore Street, La Plata, Maryland 20646.

Sincerely,

Wayne Cooper
President
